Childcare – Brentwood Catholic Children's Society has been supporting children and families since 1984 and we regard our mission and values as important today as they ever were. The primary focus of our work is to provide an early intervention service with children, young people and families and enable them to address difficulties that may be impeding their educational, social and emotional development. The challenges faced by people today are many and complex and our team provide help, care counselling and support wherever and whenever it is needed. Most of our work is in primary and secondary schools, throughout Essex and five East London Boroughs, providing counselling support for children aged 5 to 18.

“A friend is one who strengthens you with prayers, blesses you with love and encourages you with hope”

We rely on the support of our friends and community, without whom we would not be able to continue to help the children and families who we are privileged to support.

Making a regular donation is one of the most vital ways you can support us, as it provides us with a reliable income that helps us to budget more effectively. Your regular donation as a Special Friend, no matter how big or small, really can make a difference. By signing up and becoming a Special Friend you can help ensure the security we need, to continue giving expert care and support to those families and children who come to us for help.
